As a by-product of its stream-bank restoration work, MountainTrue holds four conservation easements on small tracts of property bordering or accessing streams on the Watauga River. All of the easements were received by donation. As permitted by generally accepted accounting principals, the organization has elected not to recognize the value of the easements in its financial statements. MountainTrue is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code. However, the Code also provides that income from certain activities not related to the organization's tax-exempt purpose may be subject to taxation as unrelated business income. The organization had no income from unrelated business activities for 2016 and was therefore not required to file Form 990-T. The organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material
